👋 Welcome Note

Hello Freelancer

Thank you for taking on this project. I've prepared a list of simple tasks for you to complete. Each task has a direct link and clear instructions so you can work through them step by step without confusion.

Your role is to complete each task carefully and provide me with a short confirmation once all tasks are done.

I appreciate your support and look forward to working with you on this.

📋 Task Completion Guide

✅ General Instructions

1. Click the link provided for each task.

2. Fill in your details as requested and complete all the required steps until you reach the final confirmation page.

3. Move on to the next task once you've completed the previous one.

4. After all tasks are completed, send me one message confirming they are done.

✅ **Completion Checklist**

[ ] Task 1 completed

[ ] Task 2 completed

[ ] Task 3 completed

[ ] Task 4 completed

[ ] Task 5 completed

💡 **Notes**

Please make sure each task is fully completed before moving to the next.

A simple confirmation message is enough once all tasks are done.

Keep everything clear and accurate for best results.

Thank you for your support. 🙏
